GLOBAL INDUSTRIE, A RECORD-BREAKING EVENT

With **2,500 EXHIBITORS** from **40 COUNTRIES** and **45,861 VISITORS** from **84 NATIONS**, a **12%** increase compared to the first edition in 2018, GLOBAL INDUSTRIE Lyon 2019 was a record-breaking event and generated enthusiasm among the professionals who came from all over the world.

Boosted by this impressive performance, **THE EVENT'S RETURN TO THE CAPITAL IN 2020** will also be marked by a considerable turnover in visitors, only 16% of visitors in Lyon having been present the previous year in Paris ... and consequently by business opportunities!

THE ONLY FRENCH EVENT GATHERING THE WHOLE INDUSTRIAL ECOSYSTEM, THE VALUE CHAIN AND THE USER MARKETS

Over a period of **4 days** in a **110,000 m²** area at the Paris Nord Villepinte Exhibition Center, GLOBAL INDUSTRIE Paris 2020 will present:

- ▶ **A WORLDWIDE TECHNOLOGICAL OFFER** bringing together all the know-how, skills, expertises and solutions of the 40 main industrial sectors,
- ▶ **A GENUINE SHOWCASE OF INNOVATION** highlighting the latest novelties,
- ▶ **A PLATFORM FOR EXCHANGES** facilitating the creation of partnerships or alliances, links between research and companies, good relations between customers and suppliers and the meeting of talented young people with Human Resource managers and specialists,
- ▶ **HIGHLIGHTS AND ACTIVITIES** providing an opportunity to see, touch and understand innovations and state-of-the-art industrial processes and revealing outlooks of the future industry,
- ▶ **MONITORING OF TRENDS** and emerging signals in order to better anticipate transformations in the sector,
- ▶ **A POINT OF POLITICAL AND INSTITUTIONAL CONVERGENCE** under the patronage of the French President and with the active support of the main international, national and regional authorities and socio-professional organisations.

CHALLENGING MISSIONS

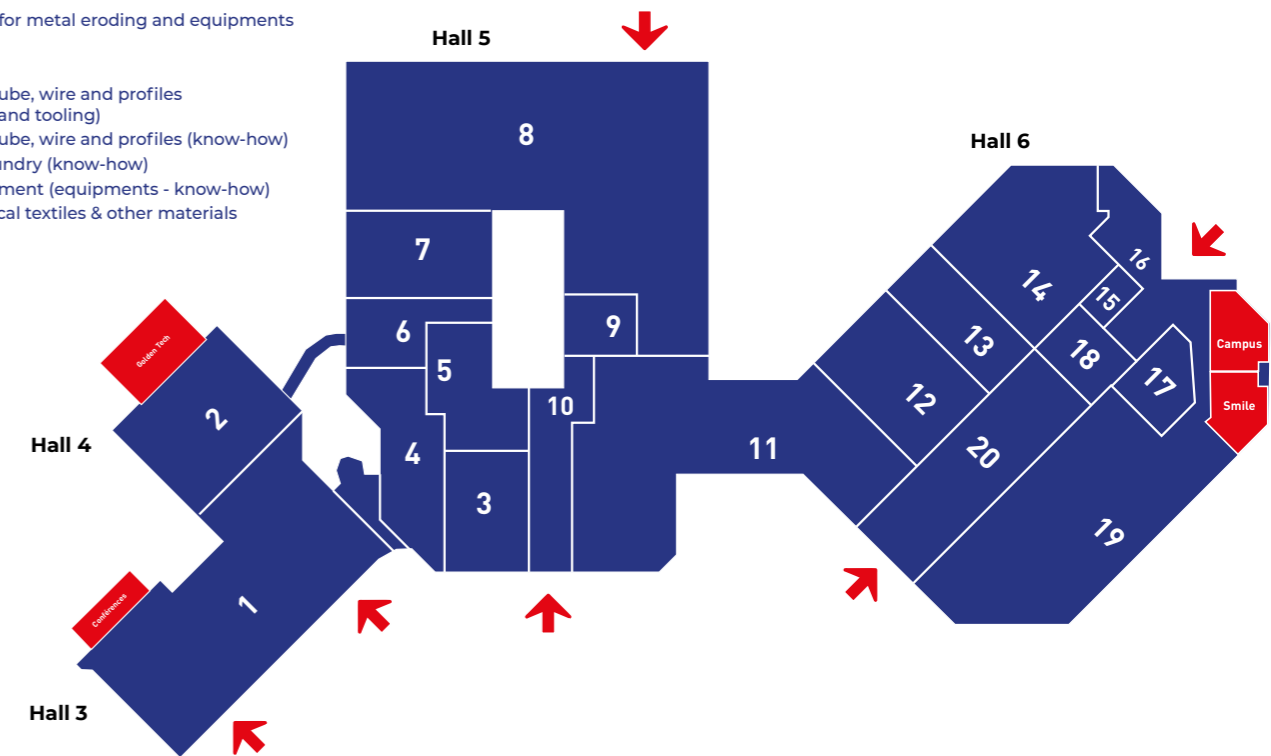

GLOBAL INDUSTRIE wishes to:

- ▶ **GUIDE** people towards new skills and new jobs,
- ▶ **PROMOTE** a positive image of the french industry among the general public and young people in particular,
- ▶ **SUPPORT** the whole industrial community to enable it the best commitment to the industry of the future,
- ▶ **BE INFLUENTIAL** in Europe and worldwide on a europe and global level to restore the french industry to its rightful position.

GLOBAL INDUSTRIE 2020 IS REORGANISING AROUND 20 MAJOR INDUSTRIAL SECTORS.

The aim is to propose an up-stream - downstream reading of the industry around major themes, bringing together suppliers of know-how (subcontractors), machines and equipment.

|---|---|--|

New in 2020: the whole electronics and plastics sectors (Production Equipment, Peripherals, Know-how & Raw Materials) are now represented at Global Industrie!

OBTAINING INFORMATION, INNOVATING, PROMOTING, MAKING COMMITMENTS... The events at GLOBAL INDUSTRIE offer you many possibilities!

Take part in Golden Tech, the big industrial performance challenge!
A competition which will identify and reward those who are the pride of our industry!

Industry is hiring!
A theme area entirely dedicated to employment, training and attractiveness, which will allow you to publicise your job offers and meet applicants.

Win an opportunity for mass publicity!
The winners are announced on the big night at Global Industrie. Enough to guarantee you exceptional media impact in terms of both brand awareness and business!

The best way to catch up on the latest advances in industry in the presence of the people who are making them, and who will share their experiences. Master classes, keynotes and round tables will be on the agenda!

SATISFIED EXHIBITORS*

85% of exhibitors declared that they were satisfied with their participation

91% believe that the synergy created by grouping the four exhibitions together is successful

72% of their contacts had plans to invest

* Source: satisfaction survey conducted by GoudLink after GLOBAL INDUSTRIE 2019

ROBOTICS, DESIGN, RESEARCH... THIS PROGRAM WILL SOON BE COMPLEMENTED BY OTHER THEMES.

GLOBAL INDUSTRIE IS A MERGER OF FOUR LARGE EXHIBITIONS, EACH OF WHICH LEADS THE WAY IN ITS FIELD:

MIDEST, the global show for all industrial subcontracting know-how

With more than 1200 exhibitors, 40% of which are international exhibitors from some forty countries, MIDEST presents a complete offer of know-how in industrial subcontracting in which you are sure to find your place (metal, plastics and electronics sectors).

INDUSTRIE, the manufacturing technologies and equipment event

Join the 700 exhibitors who will present their technological innovations across 12 equipment sectors. An offer reinforced by the 3D Printing Theme Village, devoted to additive manufacturing in all its details!

SMART INDUSTRIES, the smart efficient & digital industry event

To move on to the Industry of the Future and take into consideration the impact of digital technology on today's industry, SMART INDUSTRIES brings together nearly 400 exhibitors.

TOLEXPO, the show for sheet metal, tube and section working

Be one of the more than 200 exhibitors, 49% of them from abroad, who make up this event entirely dedicated to production equipment and technologies for sheet metal, coil, tube and section working.

5 REASONS TO EXHIBIT AT GLOBAL INDUSTRIE

- **Develop** your customer portfolio and your business.
- **Open up** to new markets or customer sectors.
- **Meet your customers** and take advantage of a moment of conviviality to discuss their projects.
- **Make** your technological innovations and new developments have a big impact.
- **Keep** your commercial and technical monitoring up to date and unite your teams.

Register now!

my **GI**

A new interface to optimise your participation!

You will be able to describe your profile in real time to talk to other participants to obtain qualified and effective business appointments!
